

## QUALITY POLICY

**AfriCoast Consulting Engineers (Pty) Ltd** is a wholly South African, independent and owner managed consulting engineering company. We are committed to providing an uncompromising professional Consulting Engineering and Project Management service to our clients. We are committed to quality, integrity and professionalism in everything we do including

- Excellence of our services
- Commitment and expertise of our staff
- Managing the processes through which we deliver our services
- Providing staff with appropriate training and tools to enable them to fully support our quality policy

Our success will be measured by

- Customer satisfaction
- Efficient operational processes
- Performance of all our staff
- Minimisation of risks for all our Clients and the Company

We regard our clients as important stakeholders in our business, and we are dedicated to meet their current and future needs and expectations.

Our quality management system has been established in accordance with the ISO 9001 International Standard, Statutory and Regulatory requirements and this Policy continues to serve as a framework for setting the Company's objectives.
